

## **Dreamers and doers-**

*The world generally divides men  
Into those two general classifications  
But the world is often wrong.  
There are men who win the admiration  
And respect of their fellowmen.*

*They are the men worth while.  
Dreaming is just another name for  
Thinking, planning, devising-  
Another way of saying that a man exercises his soul.  
A steadfast soul, holding steadily to a dream ideal,  
Plus a sturdy will, determined to succeed in any venture,  
Can make any dream come true.*

*Use your mind and will.  
They work together for you beautifully  
If you'll only give them a chance.*

*If you have no friends  
To share or rejoice in your success of life-  
If you cannot look back to those  
To whom you owe gratitude,  
Or forward to those to whom  
You ought to afford protection,  
Still it is no less incumbent on you  
To move steadily in the path of duty.*

*For your active exertions  
Are not only due to society;  
But in humble gratitude  
To the Being who made you a member of it,  
With the powers to serve yourself and others.*
